

**NOTICE OF PUBLIC COMMENT PERIOD
on the Draft Removal Action Workplan for the
Valley Plating Site, Shasta Lake City, CA**

The Department of Toxic Substances Control (DTSC) requests public comment on a draft Removal Action Workplan (RAW) and proposed Notice of Exemption for the Former Valley Plating site located at 3920 El Cajon, Central Valley, California. If approved, the draft RAW states that of the cleanup methods considered, ongoing monitoring and placing a deed restriction on the property was chosen as the most appropriate cleanup method for soils contaminated with chromium and hexavalent chromium.

The 30-day public comment period for the draft RAW will be held:

April 5, 2006 through May 5, 2006

All written comments must be postmarked no later than May 5, 2006 and should be sent to the attention of Duane White, DTSC Project Manager, 8800 Cal Center Drive, Sacramento, California, 95826-3200. Comments submitted electronically should be sent to Duane White at dwhite@dtsc.ca.gov no later than 5:00 p.m. on May 5, 2006.

The draft RAW and other related documents are available for review at the:

Shasta Lake Gateway Library
4150 Asby Court
Shasta Lake City, California 96019

The full administrative record and files pertaining to this matter are available for public review at: Department of Toxic Substances Control, 8800 Cal Center Drive, Sacramento, California, 95825-3200, 916-255-3585

Questions on the draft RAW should be directed to Duane White at 916-255-3585.
